SPECIAL ANNOUNCEMENTS REGARDING 2020 MEMBERSHIP

- 1) For this year only, we will have a single level of membership. Every member will join at last year's minimum level, \$100.00. For this you will receive virtually 12 Weekly Events and the 2020 Banquet.
- 2) We all understand that this is a different year, and to run the Club will be a very difficult challenge. We also understand that the season is scheduled to start on September 5, but could end at any time before the National Championship game. Therefore, our financial policy regarding membership dues will be:
 - a) If the season is canceled before the open date, members will receive a credit toward next year's membership.
 - b) If the season is canceled after the opening game, no refund will be given, and all remaining money will be contributed to the Athletic Department to be used for all aspects of the football program.
- 3) We have great relationship with Coach Franklin and the Athletic Department. We have always said that *"What is said at Quarterback Club, Stays at Quarterback Club"* We have had some issues in the past, so to be clear, if anyone transmits what is said or conducted at Quarterback Club in any way, i.e. Email, Twitter, Facebook, YouTube, or any media outlet, or copy what is said via video, or audio, the member will permanently lose their membership. If their membership is part of a family membership, the family will also permanently lose their membership as determined by the State College Quarterback Board of Directors.
